Subject: Please vote in favor of House Bill 5342

Honorable members of the Housing Committee:

My name is Roy You and I fully support the concept of fair and equal housing opportunities for all.

However, I am upset after learning that anyone accused of violating the CT Fair Housing Law does not have equal protections under our current statutes and think this is "Unfair" and needs to be fixed.

I encourage you to vote in favor of House Bill 5342; please contact me if you wish to discuss this matter further.
